

Spring into action-packed activities!

Join us from 7 – 17 April

- More funding from the Department for Education enables us to run our Big Norfolk Holiday Fun programme for another year
- Fantastic sport, creative and outdoor activities with a free healthy meal
- **FREE** for all children receiving benefits-related free school meals

We want activities to be inclusive. To ensure the right support is in place, please notify the activity provider if your child has special educational needs or a disability.

Choose your activities today!

Here's what
some parents
and carers
had to say

"It meant my SEN son could still have some form of routine and activity during the holidays."

"I'm a single neurodiverse mother with two young neurodiverse children and no family, so to have a break whilst my children were safe and having fun was a life saver!"

"[It has] given the children more opportunities to investigate things closer to home as we travel to attractions further away."

"They really enjoyed their activities and seemed to really like the people running them."

"Someone who has no family/childcare options and also low income doesn't usually get the opportunity to still go to work and have a child attend a free, safe and fun activity."

**Not sure if your child is eligible for
benefits-related free school meals?
